### EDITORIAL.

If there are any men among you who may be interested in being in plays and such things, let him step forth now, or forever, and ever, hold his mouth shut. We are going to get up a minstrel or some other show if enough men will help and we are now asking for all volunteers to get in touch with Leon Lloyd immediately, so that work can be commenced.

It may also interest a few that it is possible to study bookkeeping here in the camp. The course is practical and includes all of elementary bookkeeping. If enough men are interested a regular class will be held each Tuesday and Thursday night. Perhaps oftener.

There are still some men in the Company who cannot read or write. The Educational Department is doing its share, but let's all of us do ours by helping to get them started to studying instead of making fun of these more unfortunate fellows of ours.

NEW YEAR - 1935

By  
Anselmo Gonzales

I dream -

And in my dream I saw the nations stand  
In giant tribunal on the land.

And in their midst was Christ,  
His figure clothed in shadows and His  
Face

Unseen by any in that hushed place.  
It seemed He spoke - I heard His voice:  
"I hold within my hands an untried year,  
What would ye with it? Answer! Have no  
fear."

At once I saw the nations kneel,  
Their voices raised in sudden glad release:  
release:

"O Christ, for one more year we crave  
Thy peace.

Spare us the curse of war,  
The blasted homes, the fields our fathers  
trod,

The wasted lives, - O spare us there,  
dear God! "

Christ raised his hand.

"If there be among ye one whose life  
Invites to hate, to greed, to strife --  
To him I speak:

No peace can come to all if not to thee--  
First thine own heart and then the  
world is free."

His eyes searched every soul,  
A wondrous light around Him rayed -  
And suddenly I saw He prayed.

### LECTURES HEARD BY CCC MEN

Prof. Graham, Superintendent of Columbia County's School System, made a very interesting talk to the members of the typing class of Companies 451 & 453. He said that a man should strive not so much for wealth but to do a work that he enjoyed. "Anyone can go far who will apply himself to the opportunities before him. Columbia County is happy to extend to you as American citizens the facilities of this building for your use in learning these subjects. We only ask of you that you use them rightly." He was given hearty applause after he had finished speaking.

Mr. Zimmerman introduced the speaker.

Ocean Ponders Bomb  
"League Champions"

Defeat White Springs, 24-20

Last Saturday, the boys from Ocean Pond journeyed through the wilds of Hamilton County and took on the league leading White Springs in one of the most interesting games of the season. The Odustee Woodsmen came back from the Tiger's Den with their scalp and a 24 to 20 victory.

The local boys were swept off their feet by a flashy White Springs offense in the first few seconds of play, starting off the game by trailing behind. But Frost crashed through with a free throw. This seemed to give the boys encouragement and they at once began to cut the lead down and the first quarter ended with the 451 boys leading 3 to 4. They continued through the rest of the half to lead 16 to 10. The end of the third frame found the score deadlocked at 16 all. Then the 451 boys became a white hot flame of action. Little Gonzales came through with some dazlingly impossible shots, Van Milton bagged a couple, and Kazer capitalized on a three throw. So the boys came home with a real victory over a tough team.

# LYRICAL LAY OUTS

By MacDowell

He sings a song,  
He doctors wrong,  
He goes to town and  
Hangs around,-  
A certain girl  
with a little curl.

GUESS WHO THIS IS.

Answer and another  
lyrical layout of one  
of our famous camp  
personages will be pre-  
sented next week.

## POPULAR SONG HIT

"Pop Goes Your Heart"  
(From Happiness Ahead)

Quite unexpectedly a lovely face you see  
and suddenly, pop! goes your heart.  
Without a warning word a charming voice  
is heard, and suddenly, "Pop!" goes your  
heart,  
When life is just a bowl of withered fruit  
So sour and dry, you just want to cry,  
Then "presto change-o" you're in love,  
And life is a cherry pie.  
You don't amount to much, then someone's  
hand you touch and suddenly, "Pop!"  
goes your heart.  
Mm, The clouds of grey roll away on the  
day your love dreams get their start,  
What if you chance to quarrel, You'll say  
Goodbye and then;  
Quite unexpectedly that lovely face you  
see and suddenly, "Pop!" goes your heart  
again.

will include songs of the past as well  
as of the present. If you know the words  
to a favorite song of the boys, hand it  
to us. If you do not know the words of a  
particular song and would like to have  
the words printed, let us know. #####

## CROSS CUTS

Bill Terrie, 451 Mess Sergeant just re-  
turned from a short stay at his home in  
St. Pete.

Mr. Phillip Fernandez arrived Tuesday  
from a visit to his home in Tampa.

Curtis Lambert is in the kitchen again  
after a visit in Tampa.

Sergeant Williams, who was once stat-  
ioned at the White Springs camp quite a  
while, is giving the 451 "kitchen boys"  
some "inside dope" on the girls in Lake  
City. Hold your girls, boys.

"Bing" Crosby has been relieved of his  
duties in the kitchen. Leaving his carv-  
ing to someone else, he has taken a po-  
sition in the odds. However, we hope that  
Crosby will soon be able to connect again  
with his old line in some veteran CCC  
Company.

The kitchen force is glad to have  
Lambert back in the kitchen with them.

Barefoot, a K. P., alias, "Papa Popeye"  
believes in helping the girls. ("Another  
sucker")

Bubber finally has his car back. The  
C.E.A. is one of the best auto scramblers  
on record. But does it irk him because  
his Chevy is governed down so low, be-  
cause of a new motor, that it creeps.
